BISNODE REGISTER OF SOLVENT COMPANIES

Membership in the Register of Solvent Companies is a sign of a safe and proper business relationship with existing and potential business partners. The Register includes companies with proven financial stability, good payment history, solvency and reliability.

Why is the membership suitable for you?

- Increase your chances of success in tenders.
- Possibility to obtain better credit conditions.
- Using the certificates and marketing assets in communicating with partners, customers and your own employees brings you more credibility.
- The daily generated active logo confirms the current compliance with the certification conditions and thus your transparency and reliability.

Certification requirements:

- Both natural or legal persons.
- The company is not in bankruptcy or liquidation.
- The company has no registered debts.
- The company is not in insolvency.
- The company has no obligations which are more than 30 days past due.
- The scoring of the company is AAA–BB.

Marketing assets and support provided:

- **Printed certificate** – Framed certificate for presentation at company premises.
- **Electronic version of the certificate** – PDF version of the certificate suitable for presentation in an annual report or in business documentation.
- **Certification labels** – For presentation of the award, e. g. when entering the company premises.
- **Electronic certification labels** – The year of certification included and thus suitable for placing in electronic documents (presentation, invoice footer, e-mail signature, etc.).
- **Safety labels** – For payment monitoring of your invoices.
- **Static logo** – In several graphic formats to be used in printed and electronic documents.
- **Active logo** – HTML code for your websites with the name of the certified company and the current date.
- **Company report** – Information overview of the rated company.
- **Presentation in Bisnode products** – Your awards are presented to users of Bisnode Gnosus.
- **Web-portal presentation** – 12 month company presentation on the hbi.cz portal.
- **Demo access to Bisnode products.**
